Locus Reference Genomic (LRG) resource: webinar

Joannella Morales [1]

- DNA & RNA
- Beginner
- 0.5 hour

This webinar provides you with an overview and demo of the Locus Reference Genomic (LRG) [2] resource - a manually curated reference resource for the reporting of clinically relevant variants.

NB: This video works best using Google Chrome and when viewed in full screen using 1080p setting.

Find out about upcoming webinars [3].

Learning objectives:

- Discuss what the LRG resource is and what it can be used for
- Perform basic searches on the LRG website

Your feedback

Please tell us what you thought about this webinar. Your feedback is invaluable and helps us to improve our courses and thus enhance your learning experience.
