B4BB Forum - How was it for you? (2/7)

0 1 1

What new information did you learn?

- on Ensemble, MDC, ChEMBL
- Lot's of variety in backgrounds for people interested in bioinformatics.
- Partnership opportunities
- Chemical databases! Also did not know there was so much support for bioinformatics development and SME support.
- Available tools and challenges for images data handling in life science
- current works around bio data
- GREAT 1on1 session
- Making new connections and finding out more about the industry
- Expanded knowledge
- diversity of great ideas out there
- I got an overview of the resources available, which is what I was after

004

Give us any other feedback you might have...

- Thanks
- It would be great to incorporate more information that would be relate to biotech/biodegradation/synthetic biology
- Very information-packed, very useful. No preference for online vs. in person.
- Really enjoyed it

Keynote | SME Success Showcase

Rob Finn

Group Leader, EMBL-EBI

Final Discussion/Q&A via Slido #159804

Matt Hall

Senior Scientific Officer, EMBL-EBI

Closing Remarks

Bioinformatics for BioBusiness Forum 2021

Thank you for joining us & Goodbye
