SureChEMBL: Accessing chemical patent data: webinar

- Chemical biology
- Beginner
- 1 hour

This two-part webinar from George Papadatos provides you with an introduction to the chemical patent database SureChEMBL (recorded on 11th March 2015).

**Part 1** [1] gives an overview of what SureChEMBL is and why it is important.

**Part 2** [1] provides a demo of the SureChEMBL interface.

NB: These videos works best using Google Chrome and when viewed in full screen.

Find out about upcoming webinars [2].

Learning objectives:

- Discuss what SureChEMBL is and what it can be used for
- Evaluate some of the features and tools of SureChEMBL

An introduction to SureChEMBL

An introduction to SureChEMBL part 1

An introduction to SureChEMBL part 2 - interface demo

Your feedback

Please tell us what you thought about this webinar. Your feedback is invaluable and helps us to improve our courses and thus enhance your learning experience.
